

Cover Sheet

Please send back (via fax or email):

- 1) Patient Demographic Sheet**
- 2) Latest Medical Records**
- 3) Signed Prescription (on next page)**

Medically Modern is working with {{Item}}, date of birth {{DOB}}, to provide a Continuous Glucose Monitor ({{CGM Type}}) through their medical insurance.

IMPORTANT: Language To Ensure Medicare/Insurance Coverage:

Beneficiaries with **non-insulin treated diabetes** and a history of recurrent (more than one) level 2 hypoglycemic events must document:

- Classification of the **hypoglycemic episode(s) as level 2** event(s)
- Documentation of **more than one previous medication adjustment and/or modification** to the treatment plan (such as raising A1c targets) prior to the most recent level two event

Prescription

Continuous Glucose Monitoring (CGM) and Supplies Standard Written Order
